

# AYDIN ÇALIKOĞLU

## Software Engineer

+90 537 898 3434

Istanbul, Turkey

@aycalikoglu@gmail.com

www.aydincalikoglu.com

## SKILLS

Scala

Reactive Systems Data Structures Design Patterns

Functional Programming Microservices Rest

Cassandra Elasticsearch Solr Postgresql

Mariadb Redis

Akka Http Akka Stream Play Framework Jenkins

Docker Agile AWS Kinesis Apache Kafka

RabbitMQ Kubernetes Debezium

## EXPERIENCE

### Senior Software Engineer

Cimri Information Technology & Services

2017 - Ongoing

Data Engineer

- Scala

### Software Developer

Emlakkobi Information Technology

2013 - 2017

Backend Developer

- Java, PHP, HTML, CSS, Javascript, jQuery

### Software Developer

Roxiweb Internet Teknolojileri

2010 - 2013

Web design

- C#, ASP.NET

## EDUCATION

### Computer Engineering

Gebze Technical University

2014 - 2019

### Computer Programming

Süleyman Demirel University

2010 - 2012
